Je zoekt in alle databanken. Klik hierop als je een specifieke databank wil selecteren.

The screenshot shows the EBSCOhost search interface. At the top, there's a navigation bar with the logo of Hogere Zeevaartschool Antwerpen. The main heading is 'Search articles, books, journals & more'. Below this, the 'Searching:' section shows 'All databases (7)' with a red arrow pointing to it. There are three search rows, each with a text input field and a dropdown menu set to 'All fields'. Below the search rows are links for 'Add row' and 'Delete row', and buttons for 'Clear all' and 'Search'. The 'Filters' tab is selected, showing options to 'Limit your results' with checkboxes for 'Full Text', 'References Available', 'Peer Reviewed', and 'CrossRef'. There is also a 'Publication' section with a text input field. At the bottom, the 'Publication Date' section has radio buttons for 'All time', 'Past 12 months', 'Past 5 years', and 'Past 10 years'. The Windows taskbar is visible at the bottom of the screen.

The screenshot shows the EBSCOhost search interface. The browser address bar displays the URL: `research.ebsco.com/c/rib7dn/search/advanced/filters?isDashboardExpanded=true`. The page title is "Search articles, books, journals & more". The search bar contains the text "hygiene". Below the search bar, there are two rows of search criteria. The first row has "AND" and "passenger ship". The second row has "AND" and a blank field. To the right of each search criterion is a dropdown menu labeled "All fields". Below the search bar, there are tabs for "Filters", "Search options", "Publications", and "Subjects". The "Filters" tab is selected. Under the "Filters" tab, there are sections for "Limit your results" and "Publication Date". The "Limit your results" section has checkboxes for "Full Text", "References Available", "Peer Reviewed", and "CrossRef". The "Publication Date" section has radio buttons for "All time", "Past 12 months", "Past 5 years", "Past 10 years", and "Custom range". At the bottom of the page, there is a section for "Regional Business News" and a section for "Education Full Text (H.W. Wilson)".

The screenshot shows a web browser window with the URL `research.ebsco.com/c/ri7/dn/search/results?q=hygiene AND passenger ship&autocorrect=n&db=asn%2C...`. The search bar contains the text "hygiene AND passenger ship". Below the search bar, there are filters: "All filters (0)", "Full text", "Peer Reviewed", "All time", and "Source type". A red box highlights these filters. To the right of the filters, it says "Results: 52". Below this, there are three search results listed. Each result has a document icon, a title, authors, a journal name, and a brief description. The first result is "Hygiene inspections on passenger ships in Europe - an overview." by Mouchtouris, Varvara A.; Westacott, Sandra; Nichols, Gordon; et al. in BMC Public Health, 2010. The second result is "Assessment of hygiene standards and Hazard Analysis Critical Control Points implementation on passenger ships." by Mouchtouris, Varvara; Malissiova, Eleni; Zisis, Panagiotis; et al. in International Journal of Environmental Health Research, Apr2013. The third result is "Scoping review of infectious disease prevention, mitigation and management in passenger ships and at ports: mapping the literature to develop comprehensive and effective public health measures." by Anagnostopoulos, Lemonia; Vasileiadis, Sotirios; Kourntis, Leonidas; et al. in Tropical Medicine & Health, 09/01/2025. A red arrow points from the "Results: 52" text to the "Aantal resultaten" label. Another red arrow points from the "Lijst met gevonden artikels" label to the list of search results. A third red arrow points from the "Mogelijkheden om het aantal artikels te beperken" label to the filter options.
